When you go to a dinner party, it's a
good idea to bring a small gift. Flowers are
always nice and welcome, or you may bring
some drinks. You should arrive on time. Try
to relax at the dinner table. If you don't
know how to use a knife or something else,
don't worry about it. You can watch other
people and follow them. Of course, you
should thank the host when you leave the
party.
